

Title: Region 10 (Pacific Northwest) Water Quality Program

Name: Robert Mahler

Email: bmahler@uidaho.edu

Organization: University of Idaho

State: ID **Region:** Pacific Northwest

Year of Funding:

Theme: Water Policy and Economics

Situation: This is the annual Region 10 Water Quality Program Poster.

Objectives: The objectives of the water quality program in the Pacific Northwest are to: (1) enhance regional coordination, (2) encourage water quality educational programming on a regional basis, (3) integrate water research, education and outreach programs, and (4) to support the national water quality program.

The mission of CSREES is to advance knowledge for agriculture, the Environment, human health and well being, and communities.
