249 Extension Building, 432 North Lake Street, Madison, Wisconsin 53706  
Phone (608) 263-1945 - FAX (608) 262-9462 - TDD (800) 947-3529

### Human Resources Development

## Related Partnership Position with UW-Superior

University of Wisconsin-Superior

Research Coordinator (Scientist, Associate)

Lake Superior National Estuarine Research Reserve

**Duties:** Serve as technical expert and source of scientific information about freshwater estuaries. Responsible for acquiring and interpreting scientific data about estuaries, particularly LSNERR. Data consists of both project specific and long term measurements which characterize elements and processes occurring along a river to large lake gradient and within the Great Lakes. Data also describes effects of human activities and influence of natural changes occurring within this environment.

**Qualifications:** Ph.D. in a field that relates to the responsibilities of this position such as Ecology, Ecosystem Ecology, Biological Sciences, Natural Resources, Earth Studies, etc. Ph.D. must be completed at the time of application.

See UW-Superior website at [www.uwsuper.edu/wb/hr/employment](http://www.uwsuper.edu/wb/hr/employment) for complete position description and how to apply. Employment will require a criminal background check. AA/EOE
